Hi Ed,

Here is the tracking number for the shipment. Looks like it should be delivered by 3:00 pm this afternoon. It was sent priority overnight, but for some reason is being delivered in the afternoon instead of the morning, not sure why.

Please let me know if you do not see the package by the end of the day.

Thanks,
Sara

Morning Sara,
I just wanted to let you know that I've not received the fedex delivery yet this morning. They usually deliver her between 9 and 10 a.m. Did the package make it out on Friday?
